

Adopted
35 N.J.R. 403
January 21, 2003

"F-703.7 Notification: Each school district and each private or parochial school shall immediately notify the appropriate local fire department of any fire which occurs in a school building or on school property. The local fire department shall immediately notify the local fire official and forward the data concerning such fires to the Division of Fire Safety at least annually."

or maybe pay attention in the Code Update Course for the last three years:

NJSA 18A:41-5

Report of fires by school district to local fire department

Requires immediate notification to the fire department of any fire that occurs in a school building or on school property
